MongoDB, MySQL, MS SQL Server,
Oracle

Soft Skills

Communication Skills, Team Player,
Problem Solving

Projects

Mar 2024 – Apr 2024

IntelliPrompt

NextJS, ReactJS, MongoDB, Express, Vercel

- MERN (MongoDB, Express.js, React, Node.js) project aimed at enhancing user productivity and creativity.
- Enabled users to create, edit, and delete prompts, with exclusive editing rights granted to each user for their prompts.
- Implemented profile exploration feature, allowing users to view and explore other users' prompt collections.
- Integrated advanced search functionality, enabling users to discover prompts by keywords and hashtags efficiently.
- Designed intuitive user interfaces using React and Next.js, providing a seamless experience for prompt creation and management.

Nov 2023 – Nov 2023

Fitness Club

React, Tailwind, Html, CSS, Rapid API

- Developed a responsive website focused on gym exercises, providing users with a comprehensive platform for fitness.
- Integrated RapidAPI to dynamically fetch exercises as GIFs, enabling users to visualize proper form and technique.
- Implemented features allowing users to select exercises targeting different body parts for tailored workouts.
- Incorporated a search functionality for users to quickly find specific exercises based on keywords or body parts.
- Created a valuable resource for fitness enthusiasts to enhance their workout routines and achieve their fitness goals.

Aug 2023 – Aug 2023

Tesla Clone

React

- Successfully recreated the Tesla website's user interface and interactions, demonstrating strong front-end development skills.
- Utilized modern CSS techniques, such as Flexbox and CSS Grid, to ensure a responsive and visually appealing design across devices and screen sizes.
- Employed React Router for smooth navigation and a single-page application (SPA) experience.
- Conducted rigorous testing and debugging to ensure cross-browser compatibility and optimal performance.

Professional Experience

Nov 2023 – Present
Ottawa ON, Canada

TD Canada Trust

Customer Service

- Responding to customer inquiries and providing accurate information about TD products, services, policies, and procedures.
- Assisting customers with account inquiries, including balance inquiries, transaction history, and account maintenance.
- Educating customers on digital banking options, including online and mobile banking, and assisting with troubleshooting technical issues.
- Resolving customer issues, complaints, and concerns in a professional and timely manner, ensuring high levels of customer satisfaction.
- Adhering to TD's policies, procedures, and regulatory requirements, including privacy and security regulations.

Dec 2021 – May 2023
Nipawin SK, Canada

Pizza Hut

Assistant Manager

- Assisted the General Manager in managing all aspects of the restaurant, including staff training and development, food quality and sanitation.
- Assisted in developing and implementing marketing strategies to increase sales and profitability.
- Handled customer complaints and inquiries in a professional manner
- Monitored and evaluated employee performance, providing feedback and coaching when necessary.
